

Literacy activities –

### **Speaking and Listening**

There is a readalong of [Alien's Love Underpants on BBC Bitesize](#) here

Or you can find the video [here on Youtube](#)

Read aloud or watch the book

Discuss the book, are aliens real? Do they love underpants? Is this where missing things go? They must like socks too!

### **Writing**

Have a look at the resources in the Literacy file and design your own pants or even draw an alien wearing his pants!

Maybe you could write a poem about an alien.

Or think of something else that aliens might like to collect when they visit earth.

If you went to their planet what would you bring back? How is their planet different from ours? Describe the alien and their planet.
