

# Sticky Farm Mud

## Sensory Recipe

### You will need:

4 cups cornstarch

2 cups water

5 tbsp cocoa (or until the brown colour you want is achieved)

### Method

1. Mix together the cornstarch and water in a large bucket or water trough.
2. When the consistency is nice and sticky, add in the cocoa, one tablespoon at a time, until your desired colour is achieved.
3. You could add in some farm figurines for extra fun imaginative play!
