Summer ii)	Study of text: Stig of the Dump	Shakespeare: The Tempest	Study of fiction and recounts: Great fire of London	Film study	Film study

Schemes of work in Key Stage 4 are differentiated to meet the learning needs of all students in order to prepare them for life after school. For example, for some students, there is a large focus on reading social sight signs used in the community or developing their role-play skills for situations such as going into a GP surgery to book an appointment. For other students, much of the curriculum allows them to engage in sensory stories and drama sessions linked to the texts they are studying.

Sixth form literacy

Topic overview
